Manufacturer's Declaration

We declare that,

Manufacturer:	**ebm-papst Landshut GmbH & Co. KG**
Address:	Hofmark-Aich-Straße 25; 84030 Landshut
Country:	Germany
Telephone number:	+49 (0)871 707-0
Fax number:	+49 (0)871 707-465

has sole responsibility for the following component in the installation:

Description:	**Radial Blower with AC-Motor**
Type Description / Part Number:	**RLE120/3400A7-3030LH-456 ags 55461.81070**

And that the following documents apply:

Statutory Provisions:	**Equipment and Operations Safety (GPSG)** **Low Voltage Directive 2006/95/EG**
Standard:	**EN 60335-1:2007-02** Household and similar electrical appliances - Safety

Restrictions:

The following clauses of the above standard are partially not fulfilled by the component in the installation:

- Heating, especially in conjunction with abnormal operation (EN 60335-1: 2007-02 chapter 19)
- Access to moving, active or isolating parts, respectively creepage distance and clearance (EN 60335-1: 2007-02 Kap. 8, 20.2, 21.1, 21.2,22.5)
- Resistance to oil, fat and similar substances (EN 60335-1: 2007-02 Kap. 22.9)
- Safeguard against excessive gas pressure (EN 60335-1: 2007-02 Kap. 22.7)

and therefore should be taken into account within the customer's appliance.

The EMC-behaviour must be verified within the customer's appliance.

Further details of the specification are contained in the installation manual (Drawing Z10) and notice must be taken of the protection and insulation classes. (EN 60335-1: 2007-02 Kap. 22.6)

Place of issue and date: Landshut, 11.10.2010
