EMC – *E*lectro*M*agnetic *C*ompatibility Results

The following product:

Kind of product:	EC centrifugal fan
Type designation:	**R3G560-AG07-03**
Motor:	M3G150-FF
Electronics module:	60484/12 and 60485/9
Operating voltage:	3 x 400 VAC

The above mentioned product complies with European harmonized EMC regulations:

- **EN 61000-6-3 (2007)**
  Electromagnetic compatibility (EMC) – Generic Standards
  Part 6-3: Emission standard for residential, commerical and light-industrial environments

- **EN 61000-6-2 (2005)**
  Electromagnetic compatibility (EMC) –
  Part 6-2: Immunity standard for industrial environments

ebmpapst

The EMC-valuation is based on following measurements:
(Project-No. 43490)

EMC-standard	EMC-Test	EUT (equipment under test)	Electronics module	Test report date	Test report in EDM-system	Test positive?
Emission EN 61000-6-3	**Conducted emission** EN 55022 (Class B)	R3G630	60484/3 (without C9) 60485/2	20.09.05	alg000128286	☑
